Therefore in case the minimum number cannot be achieved by reaching the set limits European Athletics will fill up to the minimum number as follows:

- a. Member Federations that wish to participate at an event with athletes that have not reached the entry standard even in those events where MFs have entered also athletes having achieved the entry standards (except for the 10,000m, 5000m and Combined Events), must enter them also in the Teams Online Entry System by the deadline for the final entries, **17 June 2012 (00:00 CET)**, as for the athletes with entry standard.
- b. On the **18 June 2012** European Athletics will inform directly those Member Federations whose athletes can be accepted to participate without reaching the entry standard.
- c. The **selection will be made by European Athletics**, through the appointed Technical Delegates, taken in consideration two aspects:
 - c.1 Number of athletes needed to reach the minimum figures required per event.
 - c.2 Season best ranking list of the year of the Championships.

However not more than 5 athletes can be entered and not more than 3 athletes can compete, per Member Federation, in each of the individual events of the European Athletics Championships.
