

COMPETITION SYSTEM DEVELOPMENT SEMINAR

Bar 2019

Samuel Lopes

Session VI - Practical Session
Crisis Management & Technologies

Practical Session

Crisis Management & Technologies

Deliverables

Crisis Management:

Please set up a “Crisis Plan” in order to prevent/solve any incidents who may occur during the competition day(s):

- Traffic/transportation issues
- VISA problems
- Power supply
- Food poisoning
- Late Final Confirmations

Technologies:

List all the technology systems & related equipment to be used (ex. Start Information system, Field Events Boards, ...)
