Born in São Jorge de Arroios (Lisbon). A Tea-drinker. Club Sporting Clube de Portugal. Majored in pre-medicine at Clemson University in South Carolina, where she won two NCAA titles. Was coached at Clemson by Lawrence Johnson (Brianna Rollins' coach), but now back with her childhood coach Jose Uva. Currently studying biomedical engineering. Also ran 100m hurdles in college. Doesn't like the color pink. Started athletics at age 13, and had to do it secretly for a year since her parents would not approve it. She used to lie to her parents that she was at a friend's house while she was training. Her parents only found out after a year when they received a letter requiring their signature for her to be eligible to compete. Punishment was hard, but today, they are her biggest fans.
